

The TCS Food Offer

Dear Parents/Carers,

Every child should enjoy a safe, satisfying, nutritious meal at lunchtime, giving them energy for the rest of the day. Wherever possible TCS Educational Catering Ltd use fresh, Farm Assured local meat and vegetables, supporting local farms and suppliers, our fish is MSC certified to prove its sustainability and we do not knowingly use unsustainable palm oil or GM products.

'Home' cooked meals using good quality ingredients made with love by well trained and supported kitchen staff make sure your child is given a tasty and nutritious lunchtime meal.

Our menus are bespoke, one size does not fit all, they are compiled by experienced teams working with your school to ensure we include the different tastes and diversity of its children and staff.

Every day there will be a main meal and a vegetarian option, some schools include a filled jacket potato, filled baguette, fresh self-serve salad bar, fresh homemade bread, fruit yogurt, fresh fruit pots along with the main dessert of the day. We have included our 'covert recipes' range with additional blitzed down vegetables added to our savoury sauces and additional fruit and wholegrain added to our desserts, along with things like beetroot added to our chocolate cake and courgette added to our lemon cake.

We encourage hydration and fresh chilled water is available throughout service as well as chilled semi skimmed milk.

Yours sincerely
